SALES and SERVICE

Largest De Soto — Plymouth Distributors

1896 Broadway at 63rd Street

NEW YORK 23, N. Y.

Phone All Depts. CO. 5-0008

In these critical times, when car replacements are scarce, the utmost servicing in the "lubritorium" is essential.

An overdose of lubricant in certain parts may result in greased and soaked brake lining, rubber coverings on the rods and overpacked drive shafts.

Adjoining the lubritorium is a well equipped wheel alignment ma-machine designed to correct faulty steering, shimmy, tire wear and other faults that might cause serious accidents.

Very truly yours,

Whitey Davis
